CLUB CHANGES

Since the last Grassbox I have received a few more encouraging calls and emails from members volunteering to help run the Club. This is great news although I was hoping that even more people from among our 500 members would offer their services. But it's not too late and you really will be helping. In fact the more people that offer to help, the smaller the amount of work that each would need to do! I cannot stress the importance of this. Frankly, if people do not value the Club highly enough to put themselves forward then those of us that do are wasting our time.

A lot of the work is done by computer and email which makes it a lot easier for those involved. I realise that not everyone has these facilities but there may be something else you can help with if you don't, and we may be able to provide a computer for you anyway.

I know that people are reluctant to put themselves forward but I really would like to hear from anyone who might be interested, at least to have an informal chat. Robbie and I will provide "training". Thanks. Keith.

COLOUR SECTION FOR GB60

The new colour supplement is included with this Grassbox and I have tried to pack as many images in as possible. Thanks to everyone who sent something for inclusion.

MEMBERSHIP RENEWALS

Don't panic, there's nothing to do just yet. Membership runs from 1 June to 31 May each year and lapses for those who do not rejoin by the end of July. We will be sending out renewal notices during June. Please do not send renewal payments until you receive your letter. This will be especially important this year as the process we will be using (and the reply address) will be different.

PUBLIC LIABILITY INSURANCE

Thanks to everyone who responded to the letter sent with the last Grassbox about the changes in the way we arrange the public liability insurance for members. By making this an "opt in" scheme we have managed to save a considerable sum which can be used for other Club projects.

Insurance certificates have now been sent out to everyone who requested one. Please let me know if you did not receive yours and I will make sure you get a replacement as soon as possible.

It's not too late to request a certificate even if you did not return the original form.

All you need to do is send me a letter or email (no calls please on this one) and I will get it organised for you. Thanks, Keith.

GARFITTS SPARES

If you need a bottom blade for a mower why not order it through the Club? We have a special trade account with Garfitt's of Sheffield which means we can buy spare parts, especially bottom blades, from their extensive catalogue at very reasonable prices. Garfitt's claim to be able to supply bottom blades to fit almost any mower and so far we haven't caught them out! Club members have already bought blades for 9" Ransomes Lion, 10" and 12" Ransomes Patent Chain Automaton, 8" Greens Silens Messor, 12" Shanks Ivanhoe, and 28" Shanks Pony Mower. Prices are extremely reasonable, broadly £1 to £1.50 an inch for a blank blade which you would need to drill and fit yourself. The company can also supply ready-to-fit bottom blades and cutting cylinders for more recent machines from main manufacturers. We can also supply screws in a variety of sizes. To take advantage of these special terms you must order items through the Club. To find out more contact Richard Jones by telephone on 023 92598601 or email at richard.jones@oldlawnmowerclub.co.uk. Richard will also be able to offer general advice on removal and replacement of the blades.

Issued as a supplement to Grassbox 60
Spring 2007 – April 2007

ANNUAL RALLY AUCTION

We have received a number of entries for the Annual Rally Auction on Sunday 20 May (see list below).

Once again, Christopher Proudfoot has agreed to be the ringmaster. He was for many years one of the top auctioneers in London and this is a real chance to see how the professionals do it. It's a lot of fun and not at all like the films and TV shows.

A list of the items already submitted for the auction is printed below but it's not too late to add your own machines.

Ideally we are looking for reasonable quality items that will attract keen bidding rather than junk items you cannot sell elsewhere. Our aim is to give everyone a fair and even handed chance of buying these machines and to make sure sellers get the best possible prices.

There are few basic rules for sellers, as outlined on the entry form below, but it's all quite straightforward. To bid on the day all you need to do is put your hand up and make sure you get noticed by Christopher (he won't miss you). If you're the top bidder you simply give you name and then pay at the end of the auction. No forms to fill in and no cards to wave around. We add five per cent onto the sale price as commission, so you would pay 50p on top of every £10 of the "hammer" price (that's the price the auctioneer sells at). If you're selling, we take five per cent of the hammer price from you, so you receive £9.50 for every £10. The commission goes to club funds. In fact last year we gave it to the Museum as a donation of nearly £70.

It's not too late to enter and we can accept entries up to Saturday 12 May (ie one week before the auction) to allow us to prepare a proper list. Please send an email to keith.wootton@oldlawnmowerclub.co.uk or use the form at the bottom of this page to enter an item for selling. A few basic "rules" are printed on the reverse of the form.

I know that a lot of people who attend the Annual Rally take photographs. I am always struggling to find enough shots of the event (and don't always manage to photograph all of the mowers on show) to use in Grassbox and on the website so it would be fantastic if anyone who does take some pictures could send me copies after the event. Shots of single mowers, small groups and mowers with one or two people are the best. Lots of mowers and lots of people don't reproduce very well in Grassbox. Thanks. Keith.

MAKE A DATE FOR THE ANNUAL RALLY

The Annual Rally at Milton Keynes Museum is on the weekend of 19/20 May. As always, it's the best chance of the year to meet and chat with other members. I hope that many members will be able to call in at some time over the weekend. As usual there will be special souvenirs.

Accommodation

We have been given permission to camp at the Museum on the Friday and Saturday nights to make it a full weekend. Let Keith know if you intend to camp on either night so that adequate space can be prepared. If you do come on the Friday, please aim to arrive between 7.00pm and 9.00pm because the gates will be open and someone will be there to meet you. If you expect to arrive after this time you will still be able to get in as the gates can be unlocked but let Keith know a few days before so that we can look out for you. On the day, Keith can be contacted on his mobile (07778 315966).

There are also plenty of local hotels and B&Bs. Keith will be happy to supply a list. If you are bringing mowers and/or trailers it will be possible to leave these at the Museum (as long as someone is there) before checking in to your hotel. Ask Keith if unsure.

Saturday Evening Event

There will be our usual party at the Museum on the Saturday evening. This is organised for the Club by the Museum's volunteers and will be provided at a low 'all inclusive' price to keep it simple. Any profits go to the Museum. Let Keith know if you would like vegetarian food.

Auction

We are holding an auction on the Sunday which should be a lot of fun. See the separate information elsewhere on this sheet for more details.

Bring & Buy

A popular feature of the rally is the bring and buy section. A number of members bring mowers and spares to sell and there are usually some bargains. If anyone would like to bring anything, feel free. And don't forget to leave some space in the boot, trailer or holdall to take something home!

AGM of The Old Lawnmower Club

Milton Keynes Museum, Wolverton, Milton Keynes

Sunday 20 May

11.30am

Formal Business will include: selection of Committee & Officers for coming year; ratification of Accounts for 2006/2007; consideration of motions. All Members are entitled to attend the AGM. Exhibiting at the Rally is optional. Members attending the AGM are requested to bring their Membership Cards for free Museum entry.

Souvenirs

Regular attendees will know that we always produce a special rally souvenir. These are normally given out at the end of the AGM on the Sunday morning but any club member who attends the rally at any time of the weekend is entitled to one. So if you're only coming on the Saturday (or arrive later on the Sunday) please ask for one.

Food and Catering

The Museum's tea room will be open on the Saturday and Sunday to provide refreshments including snacks, salads, sandwiches and cakes so there's no need to bring your own picnic or packed lunch (although you can if you wish). The tea room will also be open on the Saturday and Sunday mornings for breakfast.

Club Shop

The Club Shop will be open for a limited period each day to sell the full range of souvenirs (as listed on the Grassbox advertisement sheet), so if you need a new sweat shirt, some car stickers or transfers for your Atco Standard, bring some cash!

Cars & Parking

Lots of people come to the rally and it can get very busy with cars. Please take care when driving on the site and keep your speed to 5mph. This year there will be restricted access to the main site between 12noon and 4pm on each day. Please check at the Museum entrance or with one of the Club's committee members if you need to drive on the site during these periods. We always try to keep the display areas clear of vehicles so only park where you are asked, not where you would like. It helps everyone and makes for a much better event. Keep gates closed on site at all times.

This year the AGM will be held at 11.30am on the Sunday.

Museum is on McConnell Drive (off Millers Way, MK gridroad H2) in Wolverton at north west of city. From A5/A422 junction and locally follow brown signs for "Museum of Industry & Rural Life".

NOTES ABOUT THE AUCTION

The auction will be held at Milton Keynes Museum on Sunday 20 May following the Club's AGM. The objective is to enable members to have a fair chance of buying interesting mowers and for sellers to achieve the best price for their items. We are organising the auction in the hope that some interesting mowers will be entered rather than commonplace machines that are unlikely to attract many bids. It would be great if a few of the regular "bring and buyers" entered items for the auction.

AUCTION CONDITIONS OF SALE

- 1: Bids can only be accepted from members of The Old Lawnmower Club.
- 2: Entries must be made before Saturday 12 May to allow a list of items to be prepared.
- 3: Items entered for sale must be brought to the rally. Entries withdrawn after the closing date (eg during the rally weekend) will incur a penalty of £5.
- 4: There will be a 5% seller's premium and a 5% buyer's premium which will be retained as a donation to club funds.
- 5: A final bid of £5 or under on any item will be regarded as a donation to club funds.
- 6: Unsold items must be removed by the seller by 5pm on the say of the sale. Buyers must remove items by the same time.
- 7: All statements by members of the committee concerning the description or condition of any lot are statements of opinion and are not to be relied upon as statements of fact. Any intending buyer must satisfy himself by inspection as to the true nature of the lot.
- 8: While the committee will make every effort to safeguard items left for sale they do not accept responsibility for loss or damage to any item while it is in their custody.
- 9: The conduct of the auction and the resolution of any disputes which may arise are solely at the discretion of the auctioneer.

Note: Enter details of entries on table on other side of this sheet using one line for each entry. Sign to confirm acceptance of conditions of sale and return completed forms to Keith Wootton at 7 Church Lane, Cold Higham, Towcester, Northamptonshire NN12 8LS. Entries should arrive by Saturday 12 May. Copy the form if more entries are required.
